The VIDYAJYOTI JOURNAL is published monthly by VIEWS (Vidyajyoti Educational and Welfare Society) and is edited under the responsibility of the Vidyajyoti College of Theology in Delhi. Its main scope is to foster reflection on social and cultural issues in South Asia and elsewhere in the light of the Christian faith and other religious and philosophical traditions. Published from within the rich and diverse perspectives of the Catholic tradition, it remains open to other views in a spirit of dialogue and search for deeper truth, wherever it is found. The views published in its pages are those of their writers and not necessarily those of the Editorial Board or of the Faculty of Theology of the College.
